## 2019 BOARD CHALLENGE

Total Amount Raised

\$3.04 Million

Board Participation

100%

One of the most rewarding aspects of being a Special Olympics volunteer is the time I spend with our athletes and their families. As volunteers we quickly learn that these families have unique and profound challenges. It is highly motivating the way these families embrace these challenges and thrive as they support the development and growth of their athlete. Knowing these families and their athletes has changed me for the better, and for that I am grateful.

Kelly Johnson  
Chairman of the Board  
2019 - 2021

I have enjoyed the great privilege of spending nearly a half-century in the business of sports—at the professional, collegiate and amateur levels. I can honestly say that Special Olympics Southern California (SOSC) is everything that is good and right about sports. The lessons many of us learned through sports growing up are ones that have helped us to lead successful, productive lives as adults. This is true also for our athletes but to a much greater degree. The opportunity to train and compete in sports improves their health, increases their self-confidence, and prepares them for new challenges in life. It is little wonder that this incredible movement has thrived during its 50-year history.

Special Olympics Founder Eunice Kennedy Shriver, along with two-time Olympian and American icon Rafer Johnson (who founded SOSC), have insisted from the outset that no athlete would be turned away because of an inability to pay. Therefore, it is incumbent upon the organization to set lofty fundraising goals and maintain strict fiscal responsibility to keep our programming free and sustainable.

Thank you for your on-going support to our noble, worthwhile cause. Together, we are setting the foundation to transform lives throughout Southern California for another 50 years.

Respectfully,  
Bill Shumard, President/CEO  
Special Olympics Southern California

# DEMOGRAPHICS

**TOTAL ATHLETES:** 35,398  
**IN COMMUNITY PROGRAMS:** 7,148  
**IN SCHOOL PROGRAMS:** 28,250

## Inland Empire

Athletes Community programs:	1,013
Schools program:	3,232
Young Athletes:	362
Unified Partners:	210
Total:	4,817
Global Messengers:	5
Coaches:	368

Pomona Valley athlete

## THE MISSION OF SPECIAL OLYMPICS SOUTHERN CALIFORNIA

To provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.
