They say the journey is better than the destination. When you play Journey at Pechanga, our par-72, links-style award-winning course designed by noted architects, Arthur Hills and Steve Forrest, you'll undoubtedly agree. One of the premier public courses in Southern California, Journey combines breathtaking views of the Temecula Wine Country and the surrounding rolling hills with a playable, picturesque course you'll want to experience over and over. Ample post-round banquet/awards space in our 62,000-square foot Journey's End Clubhouse. We have it all, along with beautiful weather and stunning vistas that will keep your camera shutter fluttering in between shots.

SEYLAH STEPHENS

Special Olympics Southern California and Frito Lay are co-hosting this charity golf tournament benefitting Special Olympics Southern California Unified Champion Schools.

Special Olympics Unified Champion Schools is a strategy for schools Pre-K through university that intentionally promotes meaningful social inclusion by bringing together students with and without intellectual disabilities to create accepting school environments, utilizing three interconnected components: Unified Sports, Inclusive Youth Leadership, and Whole School Engagement.

At its core, this Unified strategy is about unifying all students, with and without disabilities, using sports as a catalyst for social inclusion and attitude and behavioral change.
